SUBJECT: Contract for three semi-trailers

OGC HAS REVIEWED.

25X1A

Submitted herewith for review and approval is Contract

for three semi-trailers required for a project classified secret.

- 2. Due to the deadline set for delivery and the negotiations required for the special modifications of the vehicles for a particular use, competition was considered impractical and has not been obtained.
- 3. However, informal inquiry discloses that the cost in the open market of semi-trailers of this size and construction fall within a price range including the price indicated in the subject contract.
